

## **Before Starting the Project Listings for the CoC Priority Listing**

**The FY 2017 CoC Consolidated Application requires TWO submissions. Both this Project Priority Listing AND the CoC Application MUST be submitted prior to the CoC Program Competition deadline as required by the FY 2017 CoC Program Competition NOFA.**

The FY 2017 CoC Priority Listing includes the following:

- Reallocation forms – must be fully completed if the CoC is reallocating eligible renewal projects to create new projects as described in the FY 2017 CoC Program Competition NOFA.
- New Project Listing – lists all new project applications created through reallocation and the permanent housing bonus that have been approved and ranked or rejected by the CoC.
- Renewal Project Listing – lists all eligible renewal project applications that have been approved and ranked or rejected by the CoC.
- UFA Costs Project Listing – applicable and only visible for Collaborative Applicants that were designated as a Unified Funding Agency (UFA) during the FY 2017 CoC Program Registration process. Only 1 UFA Costs project application is permitted and can only be submitted by the Collaborative Applicant.
- CoC Planning Project Listing – Only 1 CoC planning project is permitted per CoC and can only be submitted by the Collaborative Applicant.
- HUD-2991, Certification of Consistency with the Consolidated Plan – Collaborative Applicants must attach an accurately completed, signed, and dated HUD-2991.

Things to Remember:

- All new and renewal projects must be approved and ranked or rejected on the Project Listings.
- Collaborative Applicants are responsible for ensuring all project applications are accurately appearing on the Project Listings and there are no project applications missing from one or more Project Listings.
- If a project application(s) is rejected by the CoC, the Collaborative Applicant must notify the affected project applicant(s) no later than 15 days before the CoC Program Competition application deadline outside of e-snaps and include the reason for rejection.
- For each project application rejected by the CoC the Collaborative Applicant must select the reason for the rejection from the dropdown provided.
- If the Collaborative Applicant needs to amend a project application for any reason after ranking has been completed, the ranking of other projects will not be affected; however, the Collaborative Applicant MUST ensure the amended project is returned to the applicable Project Listing AND re-rank the project application BEFORE submitting the CoC Priority Listing to HUD in e-snaps.

## 1A. Continuum of Care (CoC) Identification

### Instructions:

The fields on this screen are read only and reference the information entered during the CoC Registration process. Updates cannot be made at this time. If the information on this screen is not correct, contact the HUD Exchange Ask A Question (AAQ) at <https://www.hudexchange.info/ask-a-question/>.

**Collaborative Applicant Name:** Kings/Tulare Continuum of Care on Homelessness

## 2. Reallocation

**Instructions:**

For guidance on completing this form, please reference the FY 2017 CoC Priority Listing Detailed Instructions. Submit technical question to the e-snaps HUD Exchange Ask A Question (AAQ) at <https://www.hudexchange.info/get-assistance/>.

**2-1. Is the CoC reallocating funds from one or more eligible renewal grant(s) that will expire in calendar year 2018 into one or more new projects?** Yes

### 3. Reallocation - Grant(s) Eliminated

**CoCs that are reallocating eligible renewal project funds to create a new project application – as detailed in the FY 2017 CoC Program Competition NOFA – may do so by eliminating one or more expiring eligible renewal projects. CoCs that are eliminating eligible renewal projects entirely must identify those projects on this form.**

<b>Amount Available for New Project: (Sum of All Eliminated Projects)</b>				
\$131,533				
<b>Eliminated Project Name</b>	<b>Grant Number Eliminated</b>	<b>Component Type</b>	<b>Annual Renewal Amount</b>	<b>Type of Reallocation</b>
Tulare County Eve...	CA1478L9T131601	PH	\$131,533	Regular

### 3. Reallocation - Grant(s) Eliminated Details

**Instructions:**

For guidance on completing this form, please reference the FY 2017 CoC Priority Listing Detailed Instructions. Submit technical question to the e-snaps HUD Exchange Ask A Question (AAQ) at <https://www.hudexchange.info/get-assistance/>.

**\* 3-1. Complete each of the fields below for each eligible renewal grant that is being eliminated during the FY 2017 reallocation process. Collaborative Applicants should refer to the final HUD-approved FY 2017 Grant Inventory Worksheet to ensure all information entered on this form is accurate.**

**Eliminated Project Name:** Tulare County Every Door Open

**Grant Number of Eliminated Project:** CA1478L9T131601

**Eliminated Project Component Type:** PH

**Eliminated Project Annual Renewal Amount:** \$131,533

**3-2. Describe how the CoC determined that this project should be eliminated and include the date the project applicant was notified. (limit 750 characters)**

In an effort to maximize the effectiveness of local resources, the project applicant (CSET) voluntarily chose not to reapply for this funding. CSET chose to pursue the new expansion option so that they could increase the number of chronically homeless persons served in the community. CSET's new project, PSH Visalia Expansion, was written for \$88,398. The remaining amount of eligible renewal funds (\$43,135) were allocated to the project subrecipient (Alliance). CSET asked the subrecipient (Alliance) to write their own grant for the housing navigation services as an expansion to the existing CES project. Since CSET did not submit a renewal project application for Tulare County Every Door Open, notification of elimination was not applicable.

## 4. Reallocation - Grant(s) Reduced

**CoCs that are reallocating eligible renewal project funds to create a new project application – as detailed in the FY 2017 CoC Program Competition NOFA – may do so by reducing one or more expiring eligible renewal projects. CoCs that are reducing eligible renewal projects entirely must identify those projects on this form.**

Amount Available for New Project (Sum of All Reduced Projects)					
\$47,255					
Reduced Project Name	Reduced Grant Number	Annual Renewal Amount	Amount Retained	Amount available for new project	Reallocation Type
Every Door Open	CA1318L9T131602	\$126,807	\$79,552	\$47,255	Regular

## 4. Reallocation - Grant(s) Reduced Details

### Instructions:

For guidance on completing this form, please reference the FY 2017 CoC Priority Listing Detailed Instructions. Submit technical question to the e-snaps HUD Exchange Ask A Question (AAQ) at <https://www.hudexchange.info/get-assistance/>.

**4-1. Complete the fields below for each eligible renewal grant that is being reduced during the FY 2017 reallocation process. Collaborative Applicants should refer to the final HUD-approved FY 2017 Grant Inventory Worksheet to ensure all information entered here is accurate.**

**Reduced Project Name:** Every Door Open  
**Grant Number of Reduced Project:** CA1318L9T131602  
**Reduced Project Current Annual Renewal Amount:** \$126,807  
**Amount Retained for Project:** \$79,552  
**Amount available for New Project(s):** \$47,255  
**(This amount will auto-calculate by selecting "Save" button)**

**4-2. Describe how the CoC determined that this project should be reduced and include the date the project applicant was notified of the reduction. (limit 750 characters)**

The project applicant (KCAO) voluntarily reduced their application amount by \$47,255 in order to maximize the effectiveness of resources earmarked for CES outreach and implementation. The amount of \$47,255 was the amount for the project subrecipient. With the addition of the expansion opportunity, KCAO asked the subrecipient (Alliance) to write their own grant for the housing navigation (CES) services as an expansion to the existing CES project. The funds reallocated from this contract were combined with other reallocated funds from a CSET grant to consolidate efforts and streamline grant management. Since the project application amount KCAO submitted requested funding in the amount of \$79,522, and that is what they were awarded, notification of a reduction was not applicable.

## 5. Reallocation - New Project(s)

**Collaborative Applicants must complete each field on this form that identifies the new project(s) the CoC created through the reallocation process.**

**6-1 Below is a summary of the information entered on the eliminated and reduced reallocation forms. The last field on this form, “Remaining Reallocation Balance” should equal zero. If there is a positive balance remaining, this means the amount of funds being eliminated or reduced are greater than the amount of funds request for the new reallocated project(s). If there is a negative balance remaining, this means that more funds are being requested for the new reallocated project(s) than have been reduced or eliminated from other eligible renewal projects.**
